We're the place to get for your book. And your own time to obtain this guide since among the compromises has been ready. The Third Day..? ? ? ? O son of Simeon, give no ear to other than my say. How bitter from the convent 'twas to part and fare away!.Most like a wand of emerald my shape it is, trow I, ii. 245..114. El Abbas and the King's Daughter of Baghdad dccccxvi.Now there remained one after her; so we took her and drowned her and the eunuchs went away, whilst we dropped down the river with the boat till we came to the mouth of the canal, where I saw my mistress awaiting me. So we took her up into the boat and returned to our pavilion on Er Rauzeh. Then I rewarded the boatman and he took his boat and went away; whereupon quoth she to me, "Thou art indeed a friend in need." (189) And I abode with her some days; but the shock wrought upon her so that she sickened and fell to wasting away and redoubled in languishment and weakness till she died. I mourned for her with an exceeding mourning and buried her; after which I removed all that was in the pavilion to my own house [and abandoned the former]..Some misconception seems to exist as to the story of Seif dhoul Yezen, a fragment of which was translated by Dr. Habicht and included, with a number of tales from the Breslau Text, in the fourteenth Vol. of the extraordinary gallimaufry published by him in 1824-5 as a complete translation of the 1001 Nights (224) and it has, under the mistaken impression that this long but interesting Romance forms part of the Book of the Thousand Nights and One Night, been suggested that a complete translation of it should be included in the present publication. The Romance in question does not, however, in any way, belong to my original and forms no part of the Breslau Text, as will be at once apparent from an examination of the Table of Contents of the latter (see post, p. 261), by which all the Nights are accounted for. Dr. Habicht himself tells us, in his preface to the first Vol. of the Arabic Text, that he found the fragment (undivided into Nights) at the end of the fifth Volume of his MS., into which other detached tales, having no connection with the Nights, appear to have also found their way. This being the case, it is evident that the Romance of Seif dhoul Yezen in no way comes within the scope of the present work and would (apart from the fact that its length would far overpass my limits) be a manifestly improper addition to it. It is, however, possible that, should I come across a suitable text of the work, I may make it the subject of a separate publication; but this is, of course, a matter for future consideration..Foul-favoured Man and his Fair Wife, The, ii. 61..? ? ? ? O morn, our loves that sunder'st, a sweet and easeful life Thou dost for me prohibit, with thy regard austere..I was one day abroad on an occasion with certain of my comrades, and as we went along, we fell in with a company of women, as they were moons, and among them one, the tallest and handsomest of them. When I saw her and she saw me, she tarried behind her companions and waited for me, till I came up to her and bespoke her. Quoth she, "O my lord, (God favour thee!) I saw thee prolong thy looking on me and imagined that thou knewest me. If it be thus, vouchsafe me more knowledge of thee." "By Allah," answered I, "I know thee not, save that God the Most High hath cast the love of thee into my heart and the goodness of thine attributes hath confounded me and that wherewith God hath gifted thee of those eyes that shoot with arrows; for thou hast captivated me." And she rejoined, "By Allah, I feel the like of that which thou feelest; so that meseemeth I have known thee from childhood."? ? ? ? Deem not, O youth, that I to thee incline; indeed, no part Have I in those who walk the ways, the children of the tent. (87)? ? ? ? And whenas the dogs at a fountain have lapped, The lions to drink of the water forbear..When she had made an end of her song and laid down the lute, Ishac looked fixedly on her, then took her hand and offered to kiss it; but she snatched it from him and said to him, 'Allah, O my lord, do not that!' Quoth he, 'Be silent. By Allah, I had said that there was not in the world the like of me; but now I have found my dinar (180) in the craft but a danic, (181) "for thou art, beyond comparison or approximation or reckoning, more excellent of skill than I! This very day will I carry thee up to the Commander of the Faithful Haroun er Reshid, and whenas his glance lighteth on thee, thou wilt become a princess of womankind. So, Allah, Allah upon thee, O my lady, whenas thou becomest of the household of the Commander of the Faithful, do not thou forget me!' And she replied, saying, 'Allah, O my lord, thou art the source of my fortunes and in thee is my heart fortified.' So he took her hand and made a covenant with her of this and she swore to him that she would not forget him..As stated In the Prefatory Note to my "Book of the Thousand Nights and One Night," four printed Editions (of which three are more or less complete) exist of the Arabic text of the original work, namely those of Calcutta (1839-42), Boulac (Cairo), Breslau (Tunis) and Calcutta (1814-18). The first two are, for purposes of tabulation, practically identical, one whole story only, (222) of those that occur in the Calcutta (1839-42) Edition, (which is the most complete of all,) being omitted from that of Boulac; and I have, therefore, given but one Table of Contents for these two Editions. The Breslau Edition, though differing widely from those of Calcutta (1839-42) and Boulac in contents, resembles them in containing the full number (a thousand and one) of Nights, whilst that of Calcutta (1814-18) is but a fragment, comprising only the first two hundred Nights and the Voyages of Sindbad, as a separate Tale..? ? ? ? Come, then, companions mine, rejoice with me and say, "All hail to thee, O friend, and welcome fair and fain!".So saying, she rose [and going] to a chest, took out therefrom six bags full of gold and said to me, "This is what I took from Amin el Hukm's house. So, if thou wilt, restore it; else the whole is lawfully thine; and if thou desire other than this, [thou shalt have it;] for I have wealth in plenty and I had no design in this but to marry thee." Then she arose and opening [other] chests, brought out therefrom wealth galore and I said to her, "O my sister, I have no desire for all this, nor do I covet aught but to be quit of that wherein I am." Quoth she, "I came not forth of the [Cadi's] house without [making provision for] thine acquittance."? ? ? ? c. The Fishes and the Crab dcccciii.So they wrapped him in the shroud and set him on the bier. Then they took up his bier and bearing him to the burial-place, laid him in the grave (41) and threw the earth over him; after which the folk dispersed, but El Merouzi and the widow abode by the tomb, weeping, and gave not over sitting till sundown, when the woman said to him, 'Come, let us go to the house, for this weeping will not profit us, nor will it restore the dead.' 'By Allah,' answered the sharper, 'I will not budge hence till I have slept and waked by this tomb ten days, with their nights!' When she heard this his speech, she feared lest he should keep his word and his oath, and so her husband perish; but she said in herself, 'This fellow dissembleth: if I go away and return to my house, he will abide by him a little while and go away.' And El Merouzi said to her, 'Arise, thou, and go away.'All intercessions come and all alike do ill succeed, ii. 218..? ? ? ? c. Story of the Chief of the Old Cairo Police cccxliv.Woman of the Barmecides, Haroun er Reshid and the, i. 57..? ? ? ? ? ? ? ? ? ? na. A Merry Jest of a Thief dccccxl.Presently, her husband entered and saw the girdle and knew it. Now he was ware of the king's love for women; so he said to his wife, 'What is this that I see with thee?' Quoth she, 'I will tell thee the truth,' and recounted to him the story; but he believed her not and doubt entered into his

heart. As for the king, he passed that night in chagrin and concern, and when it morrowed, he summoned the chamberlain and investing him with the governance of one of his provinces, bade him betake himself thither, purposing, after he should have departed and come to his destination, to foregather with his wife. The chamberlain perceived [his intent] and knew his design; so he answered, saying, 'Hearkening and obedience. I will go and set my affairs in order and give such charges as may be necessary for the welfare of my estate; then will I go about the king's occasion.' And the king said, 'Do this and hasten.' .82. Said ben Salim and the Barmecides cccxcii. My secret is disclosed, the which I strove to hide, iii. 89.
