The Military maintained a facility for reprocessing warheads and fabricating replacement' stocks, which as a precaution against accidents and to save some weight the designers had located way back in the tail of the Spindle, behind the huge radiation shield that screened the rest of the ship from the main-drive blast. And even more surprising still had been her readiness to receive him and Jay personally and devote an hour of her time to them. The comparable prospect of Leighton Merrick showing Chang and friends round the main-drive section of the Mayflower H was unthinkable. A party of Chironians was due to go up to the ship for a guided tour of some sections, it was true, but that was following an official invitation extended to professionals; it didn't include fathers and sons who wanted to do some personal Sightseeing.
