We're the place to get for the book. And today, your own time to obtain this guide as among the compromises has become ready. To return to his wife and her mother. When the former arose in the morning and her husband returned not to her with break of day, she forebode all manner of calamity and straightway despatched her servants and all who were with her in quest of him; but they happened not on any trace of him neither fell in with aught of his news. So she bethought herself concerning her affair and complained and wept and groaned and sighed and blamed perfidious fortune, bewailing that sorry chance and reciting these verses: The Khalif marvelled at my speech and said, 'How great is this king! Indeed, his letter testified of him; and as for the magnificence of his dominion, thou hast acquainted us with that which thou hast seen; so, by Allah, he hath been given both wisdom and dominion.' Then he bestowed on me largesse and dismissed me, so I returned to my house and paid the poor-rate (216) and gave alms and abode in my former easy and pleasant case, forgetting the grievous stresses I had suffered. Yea, I cast out from my heart the cares of travel and traffic and put away travail from my thought and gave myself up to eating and drinking and pleasure and delight." ? ? ? ? The two girls let me down from fourscore fathoms' height, As swoops a hawk, with wings all open in full flight; King Shah Bekht and his Vizier Er Rehwan, i. 215. There came one day an old woman [to the stuff-market], with a casket of precious workmanship, containing trinkets, and she was accompanied by a damsel great with child. The old woman sat down at the shop of a draper and giving him to know that the damsel was with child by the prefect of police of the city, took of him, on credit, stuffs to the value of a thousand dinars and deposited with him the casket as security. [She opened the casket and] showed him that which was therein; and he found it full of trinkets [apparently] of price; [so he trusted her with the goods] and she took leave of him and carrying the stuffs to the damsel, who was with her, [went her way]. Then the old woman was absent from him a great while, and when her absence was prolonged, the draper despaired of her; so he went up to the prefect's house and enquired of the woman of his household, [who had taken his stuffs on credit;] but could get no tidings of her nor lit on aught of her trace. Then he wrote a letter to King Azadbekht, saying to him, "I am a servant of thy servants and a slave of thy slaves and my daughter is a handmaid at thy service, and may God the Most High prolong thy days and appoint thy times [to be] in delight and contentment! Indeed, I still went girded of the waist in thy service and in caring for the preservation of thy dominion and warding off thine enemies from thee; but now I abound yet more than before in zeal and watchfulness, for that I have taken this to charge upon myself, since my daughter is become thy wife." And he despatched a messenger to the king with the letter and a present. When it was the eleventh day, the viziers betook them early in the morning to the king's gate and said to him, "O king, the folk are assembled from the king's gate to the gibbet, so they may see [the execution of] the king's commandment on the youth." So the king bade fetch the prisoner and they brought him; whereupon the viziers turned to him and said to him, "O vile of origin, doth any hope of life remain with thee and lookest thou still for deliverance after this day?" "O wicked viziers," answered he, "shall a man of understanding renounce hope in God the Most High? Indeed, howsoever a man be oppressed, there cometh to him deliverance from the midst of stress and life from the midst of death, [as is shown by the case of] the prisoner and how God delivered him." "What is his story?" asked the king; and the youth answered, saying, "O king, they tell that. As for the Khalif, he swooned away for laughing and said, "O Aboulhusn, thou wilt never cease to be a wag and do rarities and oddities!" Quoth he, "O Commander of the Faithful, I played off this trick, for that the money was exhausted, which thou gavest me, and I was ashamed to ask of thee again. When I was single, I could never keep money; but since thou marriedst me to this damsel here, if I possessed thy wealth, I should make an end of it. So, when all that was in my hand was spent, I wrought this trick, so I might get of thee the hundred dinars and the piece of silk; and all this is an alms from our lord. But now make haste to give me the thousand dinars and quit thee of thine oath." ? ? ? ? I fear me for my body from sickness and unrest, Lest of the fear of sev'rance it be betrayed and slain. The Eleventh Day. Now Afifeh and her daughter Mariyeh were behind the curtain, looking at him; and when he came before the king, he saluted him and greeted him with the greeting of kings, whilst all who were present stared at him and at his beauty and grace and perfection. The king seated him at the head of the table; and when Afifeh saw him and straitly considered him, she said, "By the virtue of Mohammed, prince of the Apostles, this youth is of the sons of the kings and cometh not to these parts but for some high purpose!" Then she looked at Mariyeh and saw that her face was changed, and indeed her eyes were dead in her face and she turned not her gaze from El Abbas a glance of the eyes, for that the love of him had gotten hold upon her heart. When the queen saw what had befallen her daughter, she feared for her from reproach concerning El Abbas; so she shut the wicket of the lattice and suffered her not to look upon him more. Now there was a pavilion set apart for Mariyeh, and therein were privy chambers and balconies and lattices, and she had with her a nurse, who served her, after the fashion of kings' daughters. A fair one, to idolaters if she herself should show, iii. 10. So they gat them raiment of wool and clothing themselves therewith, went forth and wandered in the deserts and wastes; but, when some days had passed over them, they became weak for hunger and repented them of that which they had done, whenas repentance profited them not, and the prince complained to his father of weariness and hunger. 'Dear my son,' answered the king, 'I did with thee that which behoved me, (205) but thou wouldst not hearken to me, and now there is no means of returning to thy former estate, for that another hath taken the kingdom and become its defender; but I will counsel thee of somewhat, wherein do thou pleasure me.' Quoth the prince, 'What is it?' And his father said, 'Take me and go with me to the market and sell me and take my price and do with it what thou wilt, and I shall become the property of one who will provide for my support,' 'Who will buy thee of me,' asked the prince, 'seeing thou art a very old man? Nay, do thou rather sell me, for the demand for me will be greater.' But the king said, 'An thou wert king, thou wouldst require me of service.' His love he'd have hid, but his tears denounced him to the spy, iii. 42. There was once a merchant named Abou Temam, and he was a man of understanding and good breeding, quick-witted and truthful in all his affairs, and he had wealth galore. Now there was in his land an unjust king and a jealous, and Abou Temam feared for his wealth from this king and said, 'I will remove hence to another place where I shall not be in fear.' So he made for the city of Ilan Shah and built himself a palace therein and transporting his wealth thither, took up his abode there. Presently, the news of him reached King Ilan Shah; so he sent to bid him to his presence and said to him, 'We know of thy coming to us and thine entry under our allegiance, and indeed we have heard of thine excellence and wit and generosity; so welcome to thee and fair welcome! The land is thy land and at thy commandment, and whatsoever occasion thou hast unto us, it is [already] accomplished unto thee; and it behoveth that thou be near our person

and of our assembly.' Abou Temam prostrated himself to the king and said to him, 'O king, I will serve thee with my wealth and my life, but do thou excuse me from nearness unto thee, for that, [if I took service about thy person], I should not be safe from enemies and enviers.' Then he addressed himself to serve the king with presents and largesses, and the king saw him to be intelligent, well-bred and of good counsel; so he committed to him the ordinance of his affairs and in his hand was the power to bind and loose..Accordingly the nurse returned to El Abbas, without letter or answer; and when she came in to him, he saw that she was troubled and noted the marks of chagrin on her face; so he said to her, "What is this plight?" Quoth she, "I cannot set out to thee that which Mariyeh said; for indeed she charged me return to thee without letter or answer." "O nurse of kings," rejoined El Abbas, "I would have thee carry her this letter and return not to her without it." Then he took inkhorn and paper and wrote the following verses:..26. Nimeh ben er Rebya and Num his Slave-girl di.On the morrow, he repaired to the druggist, who saluted him and came to meet him and rejoiced in him and smiled in his face, deeming his wife innocent. Then he questioned him of his yesterday's case and he told him how he had fared, saying, 'O my brother, when the cuckold knocked at the door, I would have entered the chest; but his wife forbade me and rolled me up in the rug. The man entered and thought of nothing but the chest; so he broke it open and abode as he were a madman, going up and coming down. Then he went his way and I came out and we abode on our wonted case till eventide, when she gave me this shirt of her husband's; and behold, I am going to her.'.When the king heard this, he said, 'This proof sufficeth me,' and rising forthright in the night, let bring the youth and the eunuch. Then he examined the former's throat with a candle and saw [the scar where] it [had been] cut from ear to ear, and indeed the place had healed up and it was like unto a stretched-out thread. Therewithal the king fell down prostrate to God, [in thanksgiving to Him] for that He had delivered the prince from all these perils and from the stresses that he had undergone, and rejoiced with an exceeding joy for that he had wrought deliberately and had not made haste to slay him, in which case sore repentance had betided him. As for the youth," continued the young treasurer, "he was not saved but because his term was deferred, and on like wise, O king, is it with me; I too have a deferred term, which I shall attain, and a period which I shall accomplish, and I trust in God the Most High that He will give me the victory over these wicked viziers.".Druggist, The Singer and the, i. 229..? ? ? ? ? Oft as my yearning waxeth, my heart consoleth me With hopes of thine enjoyment in all security..? ? ? ? ? My fortitude fails, my endeavour is vain; My bosom is straitened. To Thee, I complain.,The Fourth Night of the Month..When came the night, the king summoned his vizier and bade him tell the story of the king who lost kingdom and wife and wealth. "Harkening and obedience," replied Er Rehwan. "Know, O king, that
