"Am I a proletarian or an oppressor?" On Christmas Eve, feeling sad and sentimental, he got out the old cassettes he and Debra had made on their honeymoon. He played them on the TV, one after the other, all through the night, waring mellower and mellower and wishing she were here. Then, his February, when the world had once again refused to end, she did come home, and for several days it was just as good as anything on the cassettes. They even, for a wonder, talked to each other. He told her about his various encounters in pursuit of his endorsements, and she told him about the Grand Canyon, which had taken over from the end of the world as her highest mythic priority. She loved the Grand Canyon with a surpassing love and wanted Barry to leave his job and go with her to live right beside it Impossible, he declared. He'd worked eight years at Citibank and accrued important benefits. He accused her of concealing something. Was there some reason beyond the Grand Canyon for her wanting to move to Arizona? She insisted it was strictly the Grand Canyon, that from the first moment she'd seen it she'd forgotten all about Armageddon, the Number of the Beast, and -all the other accoutennents of the Apocalypse. She couldn't explain: he would have to see it himself. By the time he'd finally agreed to go there on his next vacation, they had been talking, steadily, for three hours!. Q: Say, Guv, what's the author of "Chthon" *ave his 'is car that he.. down, back and forth, in and out, or squeeze and relax. He was holding the door three quarters shut, and so I couldn't see anything in the room but an expensive-looking color TV. He glanced over his shoulder nervously at something behind him. The inner ends of his eyebrows drooped in a frown. He looked back at me and started to say something, then, with a small defiance, shrugged his eyebrows. "Sure, but there's not much I can tell you." If you think about it, you'll see the logic his it We're going back to Earth in seven days.. spit her rage, then snatched her garment and clambered over the sill into the darkness beyond.. tossed it on the back of a chair.. Call him Smith. He was the president of a company that bore his name and which held more than a hundred patents in the scientific instrument field. He was sixty, a widower. His only

daughter and her husband had been killed in a plane crash in 1978. He had a partner who handled the business operations now; Smith spent most of his time in his own lab. In the spring of 1990 he was working on an image-intensification device that was puzzling because it was too good. He had it on his bench now, aimed at a deep shadow box across the room; at the back of the box was a card ruled with black, green, red and blue lines. The only source of illumination was a single ten-watt bulb hung behind the shadow box; the light reflected from the card did not even register on his meter, and yet the image in the screen of his device was sharp and bright. When he varied the inputs to the components in a certain way, the bright image vanished and was replaced by shadows, like the ghost of another image. He had monitored every television channel, had shielded the device against radio frequencies, and the ghosts remained. Increasing the illumination did not make them clearer. They were vaguely rectilinear shapes without any coherent pattern. Occasionally a moving blur traveled slowly across them.. "You're right, of course. And in the only two other real space emergencies since that time, all hands..he said..case, he went back and locked the trunk tightly..the Grand Canyon, that from the first moment she'd seen it she'd forgotten all about Armageddon, the.the wind."."I've met her friends."."Good for you," he said when Amos had climbed onto the deck and given him the glass.
