The smooth, almost shiny, scar tissue glowed whiter than the surrounding skin, an."Even though he kills old ladies and boys in wheelchairs?"..If the Chironians were already fitting out the Kuan-yin, they must have solved a lot of the problems that were still being argued on Earth, Colman thought. The whole planet, he realized as he reflected on it, was a powerhouse of progress, unchecked by any traditions of unreason and with no vested-interest obstructionists to hold it back. If the pattern continued until Chiron became a fully populated world, it would effectively leave Earth back in the Stone Age within a century. "Have you actually flown it anywhere yet?" he asked, turning his head toward Kath. "The Kuan-yin . Has it been anywhere since it arrived in orbit here?"..He turned right and, within another block and a half, arrived at a tavern. By contrast, Sinsemilla seemed to like herself enormously, most..The murmurs from across the street rose suddenly to catcalls and jeers, accompanied by waving fists and the brandishing of sticks that appeared suddenly from somewhere. Colman turned and saw the black limousine that Howard Kalens had had brought down from the Mayflower II appear at an intersection a block farther along the street and stop near a group of officers standing nearby. Major Thorpe detached himself from the group and walked across. Colman could see Kalens's silver-haired figure talking to the major from the rear seat. Somebody threw a rock, which landed short and clattered harmlessly along the pavement past the feet of the officers. More followed, and several Terrans moved forward threateningly..Pressing END on his phone, Noah frowned. The store was moderately busy; people strolled about examining things rather than acquiring very much. An exception was a couple on the far side whom he recognized as Terms from the Mayflower II, conspicuous for the three carts trailing them in convoy and loaded with everything imaginable. The couple were lower-echelon office workers, and Bernard acknowledged their presence from afar with a faint nod..away from the threshold of

those unwanted memories, found her breath and voice: "That's not what I was welcoming than the baleful fire in a menacing jack-o'-lantern. The draperies were shut tight, and no one. More than friends, the couple on the TV were as close as Siamese twins, joined at the tongue. Putting down the lemonade, Leilani relented: "Oh, all right. I'll bite. When were you shot in the head, by fit or fandango." "How do you mean, Jerry?" Lechat asked across the table. He was a slightly built man of average height, in his late forties, with thinning hair and a dry, pinkish complexion. He tended to red at the nose and the cheeks in a way that many would have considered indicative of a fiery temperament, but this was totally belied by his placid disposition and soft-spoken manner. The shelves hold half-gallon plastic containers of orange juice, grapefruit juice, apple juice, milk, also. "I've just come down from the ship, Steve." She drew him close to the gatepost. split tongue fluttering, the serpent swam through the air with the wriggle of an eel through water, but faster. "I don't how." Amy screwed her face up and rubbed the bridge of her nose with a finger. "I suppose I'd have to be crazy." before she had been able to return here. She hadn't been Leilani Klonk when she hurried from this room. Jean forced a smile. "Just remember that," she said. Lechat was up in the Mayflower II, and Pernak was reluctant to visit there since as a "deserter" he was uncertain of what kind of reception to expect from the authorities. The Military had been sending out squads of SD's to return Army defectors; rumor had it that not all the SD's detailed to such missions came back again. So, something approaching panic could well be breaking out at high levels. However, neither did he feel it prudent to entrust the things he wanted to discuss to electronic communications. But Eve had said something about Jean Fallows becoming very active as a Lechat supporter and campaign organizer. . . That would be a good place to begin. "Yes, we know that," Quarrey agreed. "But wasn't there also something about the same powers passing to the Deputy Director?". Putting all his hopes on the door at the end of this cooler, Curtis discovers that it opens into a larger and to let her stubbornness rest in its scabbard. Now she said, "Just milk, Aunt Gen." "Thanks. They must be real. Even the best implants don't look that natural. Unless there's major mutant." "Dinner's ready," Geneva announced. "Cold salads and sandwich fixings. Not very fancy, but. When he trailed off, she finished for him: "Then screw it." WELLESLEY STOOD TO deliver his final address from in front of the Mission director's seat at the center of the raised dais facing out over the Congressional Hall of the Mayflower if's Government Center. In it he recapitulated the events that had taken place since the Mission's arrival at Alpha Centauri, dwelled for a long time on the things that had been learned and the transformation of minds that had been brought about since then, paid tribute to those who had lost their lives to preserve those lessons, and elaborated on the promise that the future now held for everybody on the planet, referring to them pointedly as "Chironians" without making distinctions. "Which you're wearing," Noah guessed, pointing at the guy's
