She looked up as Howard came out of the home. Her expression did not change. Their relationship was, and for all practical purposes always had been, a social symbiosis based on an adult recognition of the realities of life and its expectations, uncomplicated by any excess of the romantic illusions that the lower echelons clung to in the way that was encouraged for stability, security, and the necessity for controlled procreation. Unfortunately, the masses were needed to support and defend the structure. Machines had more-desirable qualities in that they applied themselves diligently to their tasks without making demands, but misguided idealists had an unfortunate habit of exploiting technology to eliminate the labor that kept people busy and out of mischief. Too, the idealists would teach them how to think. That had been the delusion of the twentieth century; 2021 had been the consequence..".Not exactly like," the driving machine disagrees.
